CITY AND THE VALLEY OF 1000 HILLS TOUR

Departs: 08h00

Duration: Approx. 8 hours

This is the ideal introductory tour of Durban, a city shaped by Colonial settlers, the indigenous Zulu nation and Indians who arrived as indentured labourers in the 19th century. Drive along the 'Golden Mile' beachfront and experience the city from the water on a boat ride. Visit the KwaMuhle Museum to uncover South Africa's dark past with apartheid's harsh system of labour control and racial segregation. Stop off at Durban's Botanical Gardens, founded in 1849, and visit the iconic Moses Mabhida Stadium where one can take the ride to the top of the stadium arch for an incredible view of Durban and its surrounds.

The tour concludes with a visit to pheZulu Safari Park, an exciting destination situated in the Valley of 1000 Hills, only 35km from central Durban.

CITY AND THE VALLEY OF 1000 HILLS TOUR

This picturesque park has magnificent views, and offers a traditional Zulu dancing show, restaurant and crocodile and snake park.

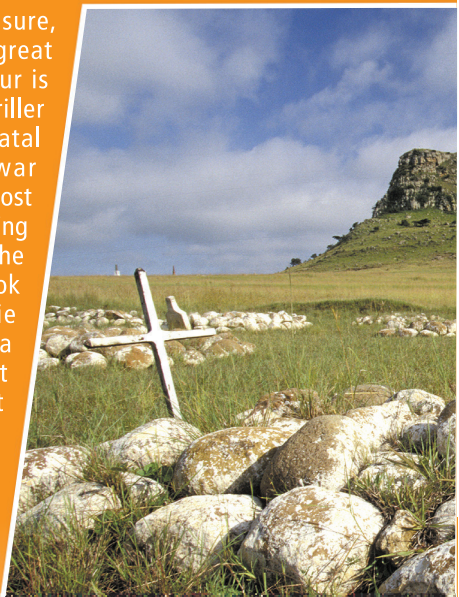

Tour includes:

- Isithumba 1000Trills
- Visit to the Victoria Street Market
- KwaMuhle Museum

BATTLEFIELDS TOUR

Historians will love it for sure, but if you enjoy a really great story, the Battlefields Tour is for you too - it's both a thriller and a drama. KwaZulu-Natal is rich in Anglo-Zulu war history, where two of the most famous - and heart-wrenching - battles fought between the Zulu and British armies took place. We visit the eerie battlefields of Isandlwana and Rorke's Drift, and let your imagination paint mental pictures of the battle scenes played out here. The tour includes lunch, and we wind our way home thereafter.

BATTLEFIELDS TOUR

DRAKENSBERG TOUR

Duration: Two full days

On the first day, visit Giant's Castle in the spectacular uKhahlamba Drakensberg Mountains, a World Heritage Site, and view the enigmatic Bushman paintings dating back 2000 years. Enjoy a 3km round trip hike to the site of the caves adorned with the Bushman's legacy (average level of fitness required), followed by a hearty lunch. On the second day, return to Durban via the Midlands Meander route, with its many galleries, craft and farm stalls.

Tour includes:

Both days' lunch, accommodation with breakfast and dinner.

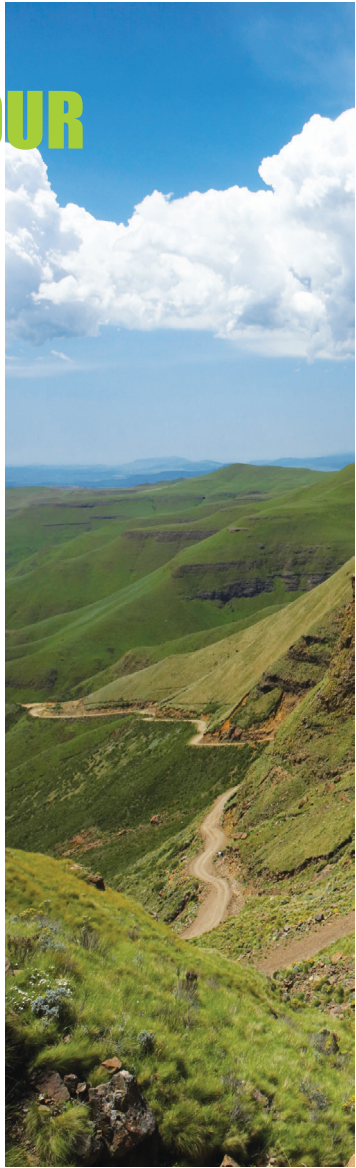

SANI PASS TOUR

Departs: 06h00

Duration: Approx. 12 hours

For those with a sense of adventure this drive up the highest road pass in Africa will certainly get your adrenalin pumping and reward you with its breathtaking scenery. The tight, zig-zagging curves of Sani Pass make it one of the most magnificent mountain passes in South Africa. Ascend past the sheer cliffs of the Drakensberg, linking KwaZulu-Natal to the independent country of Lesotho.

The route is also known as the "Roof of Africa" and for good reason - the views from the peak, some 3200 metres above sea level, are magnificent. Enter the Kingdom of Lesotho and visit a nearby Sotho Village for a taste of local culture, before enjoying lunch in one of the highest pubs in Africa, with its incredible views.

HLUHLUWE AND ST LUCIA TOUR

Departs: 05h30

Duration: Approx. 12 hours

Visit Hluhluwe-Umfolozi Game Reserve, the oldest game park in Africa and the second oldest in the world, and one of largest game reserves in South Africa. The reserve is world renowned for its conservation efforts to bring the white and black rhinos back from the brink of extinction. It is also now the best place in the world to see the endangered black rhino. The tour concludes with a visit to the town of St Lucia, which has a wide variety of shops, restaurants, curios and craft markets. Lunch is included.
